Choose the single best option:

1. The trouble is that the official poverty rate is a lousy indicator of people's material well-being. It misses all that the poor get — their total consumption. It counts cash transfers from government but not non-cash transfers (food stamps, school lunches) and tax refunds under the EITC. Some income is underreported; _____ overstates price increases and, therefore, understates purchasing power.
A/ some, to the delight of the receivers, B/ some, due to lousy statistics,
C/ additionally, the system D/ also, the official poverty line
2. The fact is — or perhaps I should more modestly say that it is likely — that the conditions brought about by Hurricane Katrina actually suit a ruthless element of society that wants to prolong them a little, _____ and freedom to extort. In conditions of anarchy, a crude and violent order, based upon brute force and psychopathic ruthlessness, soon establishes itself, which regards philanthropy not as a friend but as an enemy and a threat.
A/ undeterred by undiluted barbarity B/ in the logic of class warfare
C/ to protect its unaccustomed power D/ promoting moral laxness

3. The problem is that I don't think my husband could survive it. Give him a napkin and a plate of food, and you could not ask for a more delightful dinner companion. _____ – to the seating plan, and the poor fellow turns instantly into his father, a ferocious enforcer of infant table manners who, I am bound to say, is otherwise a character beyond reproach.
- A/ Add a child – or four B/ Make child adjustments
C/ Mention child rearing D/ Introduce changes
4. Facebook enables easy association with those to whom we incline while not compelling friendships with those whom we find more difficult, such as the elderly. We are likelier to talk to the elderly _____ — at a café, in a church, on the street — and the more that our lives are digitally mediated, the more those physical contacts vanish.
- A/ in well-defined circumstances B/ with whom no family bonds exist
C/ than to peer adversaries D/ when confined by physical spaces
5. Almost all hip-hop, gangsta or not, is delivered with a cocky, confrontational cadence that is fast becoming a common speech style among young black males. Similarly, the arm-slinging, hand-hurling gestures of rap performers have made their _____ becoming integral to their self-expression. The problem with such speech and mannerisms is that they make potential employers wary of young black men and can impede a young black's ability to interact comfortably with co-workers and customers.
- A/ way into many young blacks' casual gesticulations,
B/ imprint on the whole cohort of commercial rockers
C/ public as if conditioned to acoustic violence, thus
D/ poetics closely, if not blindly, contingent on violence
6. Politicians and academics like to place the blame for urban problems on the evils of society--with racism and the loss of manufacturing jobs being at the forefront. Klein, however, reveals that chaos in America's cities accelerated during the economic boom times of the 1960s. He notes that in New York City, robbery _____ "including [during] the Great Depression, a period of intense joblessness and despair that did not cause any normative changes among blacks and whites."
